

FISHING REPORTS

May 2 th 2012

The offshore fishing from Los Suenos Marina has been fair to good. A lot of big dorado are being caught; anywhere from 40 to 60 lbs. Sail fishing is starting to get good, also. We are raising from 10 to 20 a day and releasing 5 to 15. The marlin bite is getting better, we are raising a couple of marlin every day, blue, black and striped, ranging from 80 to 600 lbs. Also, a few nice yellow fin tuna in the 200lb. range

May 1th 2011

The billfish are picking up at this time. Boats are reporting 5 to 7 sailfish a day. Terry and Mike Smith from the United Kingdom did some night fishing and caught 6 corbera snapper, weighing between 20-35 lbs: 6 red snapper 3-5 lbs and 25 mullet snapper running 11 to 25 lbs. Captain Jerry reported that Jason and Diane Shay brought in 4 billfish today .

April 30 th 2011

Keith Shey and his party of 4 fished the last 2 days and caught and released 3 sailfish and caught 3 dorado. On Tuesday caught and released 4 sails and caught a big dorado. They are fishing on Thursday and Friday, we will report on that and hopefully the bite is on!!

April 29th 2011

We only fished a 1/2 day on the 14. We took Steve Hooden's group out 12 miles and found blue water and on the 13 mile we hooked the first sailfish of our 1/2 day. We caught and released 3 more sailfish and also a nice dorado. The "bite" is definitely improving, boats that fished yesterday reported up to 35bites.

April 27 th 2011

So far November is looking real good. The anglers from Las Vegas, Richard Rohr and Bruce Gwin had a good day yesterday with 3 sailfish and a 40 lb. Dorado. Captain and Mr. and Mrs. Terri Smith reported 8 sailfish and a blue marlin on the 4th of March. The Louis Casale group of 3 anglers averaged 3 sails a day.

April 26 th 2011

The charter boats out of Los Suenos Marina have seen a lot of action this past week. Captain Tom reported that one boat got a grand slam. Most boats are reporting up totwelve sailfish releases and there seem to be a more marlin around at this time. The action is good off of Cabo Blanco. The water is clean and there is a lot of bait fish.

April 25th 2012

The Kyle Richards party of 2 had great fun on the Barrilete, inshore fishing. They caught 4 roosters between 25 and 40 lbs. These were caught with live bait, blue runners. There is a lot of live bait at this time. Also, they caught 6 jacks and some needle fish. Offshore Fishing off of Carrillo is great for marlin. One captain reported he released 14 blues.

April 24th 2012

The waters have cleared and the fishing is good. Jim Clarke and his friends from Pittsburg caught 8 yellow fin tuna , the largest being 150 lbs. That's what they were after and that what they got. Also 2 sails. Captain Henry and Terry Smith caught and released 7 sails and one blue marlin about 250lbs.

April 20 th 2012

However, the Inshore fishing has been great and Captain Thomas reports that California native Tim Salmon and New Jersey native Dennis Dunn had a great day catching and releasing a half dozen roosterfish ranging from 25 lbs to 55 lbs. Captain Thomas says they are probably in for another2 weeks of rain.

April 17th 2012

It is starting to heat up for Blue Marlin. Captain Jose Ortiz and anglers Dave and Wayne Winters from Louisiana raised 10 blue marlin weighing 100 to 400 lbs. They caught and released 4 and 4 jumped the hook and 1 broke the line. It was

an exciting day for these anglers and one angler first time catching a marlin.

April 15 th 2012

Audra and Mike Brase and family had a wonderful time fishing with Captain Henry on the Alin. Audra is a sport fish biologist from Alaska. They had a fantastic day with a total of one blue marlin and 6 sails raised , one sail brought alongside and 3 100+ pound sailfish boated. The Ed Woheling group released 4 sails, a 300 lb blue marlin and 2 dorado. The Shawn Mawery anglers with 2 1/2 day inshore charters caught 2 roosters each day and a giant barracuda one day
